IL 143 from 0.2 miles west of I-70 westbound ramps to west of Cherry Street near Highland in Madison County

Highland, IL – The Illinois Department of Transportation today announced that Illinois 143, from 0.2 miles west of the Interstate 70 westbound ramps to west of Cherry Street, will be intermittently restricted to one lane during daylight hours beginning Monday, August 21, 2017, weather permitting. Two-way traffic will be maintained by the use of flaggers. This work is required so an asphalt overlay can be built and is expected to be completed by the end of October of this year.

The Department advises the travelling public to follow all construction signs and drive with caution through the work zones.

The contractor on this project is Microsurfacing Contractors, LLC, of Bridgeton, Missouri.

Follow our [Twitter](#) page to find details on other construction projects in IDOT's District 8. Updates on the impacts to traffic are available at <http://stl-traffic.org>.
